**Swinging stick wildly - Penalty 2,3,4 or 6**

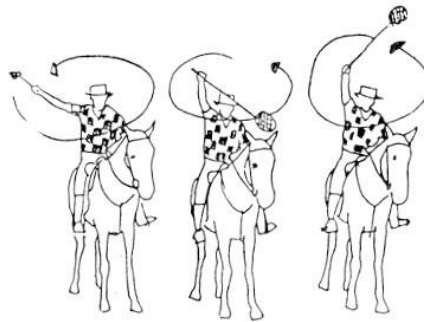

- (c) No player shall swing his/her stick wildly so as to intimidate or injure horse or rider. Any attempt to hit an opponent's stick which in the umpire's opinion constitutes a wild or vicious swing shall be deemed dangerous play.

- (a) Any player carrying the ball must carry it on his/her stick side and not across the horse's neck or back to the opposite side. It is permissible to pick the ball up on either side providing that the stick is immediately brought back to the carrying side.

In the event of a ball lodging against a player, horse or its equipment, it must be dropped immediately.

**44. Dismounted player - Penalty 1 or 2**

No dismounted player shall interfere with the ball or the game in any way. Similarly no dismounted player can be obstructed in any way.

#### Broken bandages/saddle cloths

- (b) The umpire shall stop play for broken or loose bandages. The player with the broken or loose bandages shall be penalised. Play shall recommence with a free throw to the opposition.

Umpires will stop play if a saddle cloth is lost or in danger of coming off. Play shall recommence when the saddle cloth is replaced with a free throw to the opposing team.

Umpire's signal:

Rule 45. Time Off

- (c) The umpire shall use his/her discretion regarding stopping the play for broken or loose gear. Play shall recommence with a free throw to the team in possession or a line up.

#### Dropped or broken stick

- (d) The umpire shall not stop the game for a broken or dropped racquet unless it is the result of an infringement by the opposing team. However when the ball is dead the umpire shall stop the match and the player be given a reasonable time to retrieve/remove the dropped stick.

#### 46. Infringement a foul

Any infringement of the rules constitutes a foul and the umpire may stop the game by the use of a whistle.

#### Ball Dead

If the umpire blows his/her whistle, the ball becomes dead, and the umpire must recommence the game by throwing the ball in, or awarding a free throw.

**47. Umpire's power of Discretion**

It is within the discretion of the umpire not to stop the game for the purpose of inflicting a penalty, if the stopping of the game and the infliction of the penalty would be a disadvantage to the fouled side.

**48. Re-start**

If for any reason other than a foul, the game is stopped it shall be re-started by the umpire throwing the ball in from the nearest boundary line. Where a game is stopped for injury to horse or player, the game shall be re-started by the umpire giving a free throw to the side in possession of the ball at the time the game was stopped.

**49. Assistance to players - Penalty 1 or 2**

No person is allowed on the ground during play for any purpose whatever, except the players and umpires. A player requiring a stick or other assistance from an outside person must ride to the ends of the field or the sideline to procure it. This applies to the No 1 and No 3 in the goal area where no player from the centre field may enter the area to pass a stick.

A free goal shall be awarded against a player receiving a dropped racquet lost in the field of play from any person not playing on the field.

No person shall intentionally leave their dropped racquet in the field of play.

**50. Dead-lock**

In the event of a deadlock (two opposing players unable to make any progress without possession of the ball in the goal scoring area) lasting more than 10 seconds, the umpire shall stop the game and throw the ball in from the nearest boundary line.

**51. Riding through the Goal Posts**

No player shall be permitted to ride through the goal post in any direction. A player shall be deemed to have ridden through the goal when all feet of the players' horse have crossed the goal line.

There will be a free goal awarded against the offending player/s. If a player scores a goal and then rides through the goal posts the goal stands, in addition a free goal is awarded to the other team.

Play recommences with a centre field line up.

In the event of extra time, the goal is awarded, provided the number 1 does not ride through the goal posts.

**52. Incidents not provided for in Rules.**

Should any incident or question not provided for in these Rules arise, such incident or question shall be decided by the umpire or umpires and their decision shall be final. If the umpires disagree, the referee's decision shall be final.

## PENALTIES

1. A free throw to the non-offending side from the spot at which the infringement took place or the spot nominated by the umpire.
  - a) All penalty throws may be thrown in any direction.
  - b) The player may throw from a stationary position or moving, provided the throw is executed from the spot nominated by the umpire.
  - c) The player may not execute the free throw until directed to do so by the umpire. The throw must be taken within a reasonable time.
  - d) If the throw does not travel 10 metres the umpire throws the ball into play from the nearest side line or back line.
  - e) The ball must be thrown at least 10 metres and other players may not be closer than 10 metres from the penalty spot. This free throw, if not accepted as a pass, must hit the ground before the thrower can touch the ball.
  - f) No player shall attempt to touch the ball or interfere with the player taking the throw until that player and ball have travelled 10 metres.
  - g) If a player deliberately throws the ball at another player when executing a penalty, the umpire will throw the ball in from the nearest sideline.
2. A free throw, taken within Centre Field, from a central spot on the Penalty Line in a forward direction.
  - a) The No. 3 may defend his/her goal but must not be within 10 metres from the spot where the throw is taken.
  - b) Clauses (b), (c), (d), (e) (f) and (g) of Penalty 1 apply.
3. A free throw at goal from a central spot outside the 10 metre line.
  - a) The ball must be thrown at goal.
  - b) The number 3 player may defend the goal from a stationery position and remains stationery, but cannot stand closer than 8 meters to the spot from where the throw is taken. Should the goal throw fail, the number 3 has the line of the ball.

4. If in the opinion of the umpire a player commits a dangerous foul, the side fouled shall be allowed one goal. The game shall be recommenced by the umpire throwing the ball into play in the centre of the field.
5. The horse ordered off the field by the umpire and disqualified from being played again during the match:

A substitute may be played by the affected player only.

6. The umpire may exclude a player from the game for part of the match in addition to any other penalty, in the case of a deliberate dangerous foul, persistent fouling after being warned, or conduct prejudicial to the game. A substitute player may not be played. In the event of a player being sent off, the captain of that team has the right to re-organise the section affected to the best advantage. The sidelined player shall not re-enter the playing field until such time as indicated by the umpire. The sidelined player must come onto the field into the vacant position. A player cannot be sidelined for more than a maximum of three minutes playing time in any one period. The umpire at the tournament shall prepare a written report within 24 hours and it shall be forwarded to the national association to whom the player is registered and to the International Polocrosse Council within sixty (60) days of such incident occurring.
7. The umpire may exclude a player from the game for part or the whole of the match, in addition to any other penalty, in the case of a deliberate dangerous foul, persistent fouling after being warned, or conduct prejudicial to the game. After a period of three minutes a substitute player may be played. In the event of a player being sent off, the captain of that team has the right to re-organise the section affected to the best advantage with the use of the reserve player. In all instances, the player sent off shall be the subject of a written report by both umpires and the referee to be prepared within 24 hours and to be forwarded to the national association to whom the player is registered and to the International Polocrosse Council within sixty (60) days of such incident occurring.

## **Re Introduction of Horse with Vice**

No horse shall play with a dangerous vice, such as kicking, biting or rearing. If a horse has been ruled as a horse with a vice and sent off the field, relevant documentation must be completed. The Report must include information about the incident and a chart to record colour, gender, height, brands, markings and distinguishing features.

For a horse to be eligible to play again:

1. The horse needs to be played at three club practices under the supervision of the Chief Umpire or his nominated A grade umpire.
2. The owner/player to notify the Senior Chief Umpire of the Tournament that they intend to return to compete. At least 3 games must be supervised by the Chief Umpire or his nominated A grade umpire.
3. If the horse shows any sign of vice again the horse will be removed from the field and competition.
4. The horse will be banned from Polocrosse for the rest of its life.
5. Documentation, and a full report must be sent to the relevant Chief Umpire, and National Executive for recording.
