MESSAGE FROM THE PRESIDENT

Happy New Year!

I hope everyone got a chance to relax, refresh and revive over the festive season—I'm sure everyone needed a good break after 2020 and all the challenges that it presented.

Against everyone's hopes, we start 2021 with a lot of uncertainty in the air still. Although the season is not set to start for a good couple of weeks, we are closely monitoring the current status of this pandemic

and the impact of the various regulations on our season. We are hopeful that we will still be able to continue with the season as planned, and will continue with registrations and preparations accordingly.

Ashleigh has communicating with the provincial secretaries around the processes of registration and affiliation, and I am excited to see the positive affect the new system has on our administration within

PASA. Please remember to register yourselves and your horses so that we do not run into any issues during the season.

As we bid farewell to 2020, let us remember the good times alongside the bad, and pray for sunnier days this year. May 2021 bring you all success and good health.

Yours in polocrosse

Manfred Rohwer

PASA Fees—2021

During our executive discussions, we focused a lot on the affiliations for 2021, and the application of discounts as communicated for the 2020 season due to the lack of play.

There are 3 affiliation structures in place:

1. Normal non-discounted fee: This is for the players that did not affiliate in 2020.
2. Discounted fees: This applies to players that paid their 2020 fees in full, and discounted according to their payment in 2020.
3. Post May 2021 fees: It has been decided that fees will increase as of end April 2021.

NOTE:

Non-competitive SAEF rate of R200,00 once off will cover social members for two tournaments, together with the R80,00 PASA per tournament fee. Thereafter, and for any provincial or national tournaments, both full SAEF and PASA fees will need to be paid.

When renewing your membership, please update your affiliation category should it be necessary.

The invoice generated on the system will show the full 2021 fees applicable and not the discounted rate, should they apply. Please make payment according to the above rate, if (2) applicable.

Please use your invoice number and name as reference on your proof of payment, and upload to the system. PASA will allocate the payment status accordingly.
